## Summary

### Background data

Earlier this year, 5 schools of Haagsche Schoolvereniging participated in the parent satisfaction survey. Data were collected from 405 parents. The survey was administered through an open link.

School Respondents
HSV Ned. Afdeling Nassaulaan 70
HSV International 233
RKBS Willemspark 44
BS Het Open Venster 15
IVIO 43
<b>Haagsche Schoolvereniging 405</b>

### General satisfaction

The national average mark given by parents to the school is 7.60. The schools of the Haagsche Schoolvereniging receive an average grade of 8.00.

The highest average grade was given by parents of pupils at BS Het Open Venster (9.13). Parents of pupils at RKBS Willemspark give the school the lowest average mark (7.34).

### Report grades

## Satisfaction

Below is an (automatically generated) summary of the most striking points per section. If there are no striking points in a section, this section is not shown. Due to rounding off differences, it is possible that the mentioned percentage differs from the percentages of the corresponding question in the results overview.

### School building

The schools of the board are appreciated by many parents regarding 'Appearance of the building' (95% of the parents are satisfied about this). Many parents are also satisfied with the 'Atmosphere and interior of the school building' (91%).

### Surroundings of the school

Many parents appreciate the schools of the board with respect to 'Safety on the square' (87% of parents are satisfied about this).

Relatively many parents are dissatisfied with 'Safety on the way to school' (33%) and 'Play possibilities on the square' (18%).

### Guidance

Many parents value the schools of the board with respect to 'Relationship between teacher and pupils' (93% of parents are satisfied about this).

### Atmosphere

Many parents appreciate the schools of the board with respect to 'Atmosphere in the classroom' (89% of the parents are satisfied about this). Many parents are also satisfied with 'Relationships between children' (88%).

### Knowledge development

Many parents value the schools of the board with respect to 'Attention to language' (88% of parents are satisfied about this). Many parents are also satisfied with 'Attention to arithmetic' (86%).

### Personal development

Many parents value the schools of the Board of Governors with respect to 'Attention to PE' (89% of parents are satisfied with this). Many parents are also satisfied with 'Attention to creative subjects' (86%).

### **School hours**

The schools of the board are appreciated by many parents regarding 'Current school hours' (96% of parents are satisfied about this).

### **School Rules, Peace and Order**

The schools of the board are appreciated by many parents regarding 'Peace and order at school' (91% of the parents are satisfied about this). Many parents are also satisfied with 'Clarity of the school rules' (88%).

### **The teacher**

Many parents appreciate the schools of the board with respect to 'Effort and enthusiasm of the teacher' (93% of parents are satisfied about this). Many parents are also satisfied about 'The extent to which the teacher listens to parents' (92%).

### **Contact with the school**

Many parents appreciate the schools of the board with respect to 'Information about the school' (88% of parents are satisfied about this). A relatively large number of parents are dissatisfied with 'Provision of information about the child' (16%).
